30. Your logo file (you'll upload it on the online form, 2 MB max)

Have the file ready on your computer or phone.

The Look

This is the most useful section in the whole form. Showing us websites you like tells us more in two minutes than a page of adjectives could. Be as specific as you can: colors, big photos, simplicity, fonts, how it feels on your phone. "I just like it" is fine too; we can usually work out why.
